WHY DO BRIDAL COUPLES REGISTER

at *LIVE WITH IT* ?

After almost twenty years in the Bridal Registry arena, we finally sat down to try to understand why the Bridal Registry Component of Live With It has flourished---to the point that we are consistently voted Best Bridal Registry by the readers of regional tabloids---and always seem to receive those warm Thank You Notes from our Happy Brides. This short brief is the result of our thoughts and many years of experience. We hope it will be both informative and helpful.

SERVICE IS THE KEY:

1. All Live With It Brides are registered by **Experienced, Professional Staff** with informed ideas. We know the product and the protocols. We are not confused part-timers.
2. Live With It **Bridal Shower Gifts** are beautifully **Wrapped and Delivered** or **Displayed** at the Shower location **Free of Charge**. In addition and when requested, we are happy to display gifts from other locations for only a minimal fee.
3. All Live With It Registries are carefully maintained; and subsequent **Registry Gifts** for the **Wedding**, the **Holidays**, **Birthdays** or **Anniversaries** are also **Wrapped and Delivered Free of Charge or Shipped** as required.
4. **In-Store Shoppers** are physically **Shown the Bridal Registry Listings**. Unlike other stores, we do not direct your guests to machines for computer hand-outs. Nor do we leave them alone to search for items that sometimes are not even there.
5. **Out-of-Town Friends and Family** are only a phone call away from conversations with real people, Experienced Staff, who Know the Bride, Know the Registry and who will Assist with Gift Selection---ensuring that their **Gift is Wrapped, Delivered, Displayed or Shipped** as needed. Your guests do not need to worry about breakage, duplication, timing or gift suitability.

INVENTORY IS VERY IMPORTANT:

1. Live With Its' shelves are always **Full with Key Registry Items**, including:
 - Casual, Transitional and Formal **Dinnerware**.
